## NEW PROJECT UPDATE

### AGAVE RESTAURANT COMES TO REHOBOTH BEACH

A new restaurant is coming to downtown Rehoboth Beach, Delaware! With one location in Lewes, DE, Agave has decided to open a second location right on the main strip, Rehoboth Avenue. Fisher Architecture has been hired to provide full architectural design services to help create a unique landmark to enhance the current Agave brand, as well as the surrounding downtown area. The team has worked with ownership to create a one-of-a-kind, eclectic and refreshing dining experience. Equipped with bars and dining on both levels, future customers can also expect a second-floor outdoor seating area, directly overlooking Rehoboth Ave. This will surely be the go-to spot for customers looking for the best atmosphere (and margarita) in the area! Construction is to begin late Spring 2019. Stay tuned for updates as we develop this vision into a reality!

*Fisher Architecture is a proud sponsor of the 3rd Annual Hero's Challenge hosted by the Salisbury City Police benefiting the Special Olympics! Come out and show your support while watching our team pull a fire truck! Or grab some friends and pull yourself!*

*It's a fun day supporting a great cause!*

## HEBRON SAVINGS BANK IS COMPLETE!

Renovations and additions are complete for the Hebron Savings Bank in Hebron, Maryland! Fisher Architecture was hired to provide design development and full permit drawings for an addition and renovations throughout the building. Included in their scope of work was identifying the needs of the bank and helping to create a facility that was not only updated but also enough space to allow for the expanding business. This new 6,194 s.f. addition included offices, conference room, restrooms, waiting area and a bull pen. A second floor was also created allowing for future offices, two restrooms, and a small conference room. Along with this addition a new parking lot was added adjacent to the building.

*The Fisher Architecture Team showed support by having a booth at the annual Ocean City Hotel Motel Restaurant Association trade show!*

## FISHER LIFE

*The Fisher team enjoyed a much deserved Happy Hour together!*
